

The image displays two architectural floor plans of the Liceo Scientifico "G. Galilei" in Palermo, focusing on safety zones and evacuation routes.

Left Plan (Piano Primo): This plan shows the first floor. Two rooms, **AULA 6** and **AULA 7**, are highlighted in purple, designating them as the **ZONA VIOLA** (Purple Zone). The plan includes various safety features: a fire alarm (**ALLARME INCENDIO**), fire extinguishers, and emergency exits marked with green arrows and the text "USCITA DI EMERGENZA". A staircase is labeled **US.7**. Other labels include **TELEFONO** and **AUI**.

Right Plan (Piano Terra): This plan shows the ground floor. A green arrow points from the **CORTILE** (Courtyard) area towards the building, designating it as the **ZONA ARANCIO** (Orange Zone). A green square sign with white arrows pointing towards a central point is labeled **PUNTO DI RACCOLTA** (Assembly Point). The plan also shows a staircase labeled **US.3** and a fire alarm (**ALLARME INCENDIO**). Other labels include **ED. FISICA DOCENTI DI** and **SG-AD**.

**PUNTO DI
RACCOLTA**
