

The image displays two architectural floor plans for the Liceo Scientifico "G. Galilei" in Palermo, illustrating the evacuation routes for a fire alarm. The plans are labeled "PIANO TERRA" (Ground Floor) and "PIANO PRIMO" (First Floor).

PIANO TERRA (Ground Floor): This plan shows the entrance area with a green sign indicating the "PUNTO DI RACCOLTA" (Assembly Point). A green arrow indicates the evacuation route from the entrance area, through the "SCALA 'A'" (Staircase A), and out of the building. The staircase is labeled "SCALA 'A'" and "SCALA DI EMERGENZA".

PIANO PRIMO (First Floor): This plan shows the main body of the school. A green arrow indicates the evacuation route from the main entrance area, through the "SCALA 'A'", and out of the building. The staircase is labeled "SCALA 'A'" and "SCALA DI EMERGENZA". The plan also shows various rooms, including "Aula 1" through "Aula 5", "WC alunni" (Student Restrooms), "WC disabili" (Disabled Restrooms), "WC Doc" (Teacher Restrooms), and "WC alunne" (Female Student Restrooms). A red fire alarm pull station is marked "ALLARME INCENDIO", and a red fire extinguisher is marked "CO2".
